

2+2 Articulation Agreement

between

University of Southern Indiana  
and  
Illinois Eastern Community Colleges  
Frontier Community College, Lincoln Trail College, Olney Central College and

The respective faculties of Illinois Eastern Community Colleges (IECC) and the University of Southern Indiana (USI) enter into this agreement to formalize the articulation that exists between the Sport Management program offered by IECC and the Sport Management Program offered by USI. This agreement confirms that all the relevant credit hours earned by students who complete graduation requirements for the Sport Management Program at one of the IECC will be accepted into and serve to fulfill all lower division requirements for the Sport Management Program at USI. Thus, students who graduate having completed all degree requirements in the Sport Management Program at one of the IECC colleges will be eligible for full junior level standing in the Sport Management Program at USI.

All agreements will be reviewed and updated in three years from the effective date of the agreements.
