The University of Southern Indiana’s most prestigious gift society is *The President’s Associates*, which is established to honor those who make annual gifts of $1,000 or more, and those with lifetime contributions of $50,000 or more. Members of *The President’s Associates* have distinguished themselves with their extraordinary charitable gifts in support of the University of Southern Indiana and are considered part of the University’s inner circle of philanthropy.

Organized in 1987 by the USI Foundation, *The President’s Associates* recognizes donors of annual and lifetime gifts each year in an annual publication. Members of *The President’s Associates* also are recognized for their annual giving on the Worthington Donor Recognition Wall, which hangs in University Center West near Carter Hall. The Legacy of Lifetime Giving donor recognition wall features names of donors with substantial lifetime contributions.

Annual gifts to the USI Foundation to benefit the University are recognized at two distinct levels:

**Perpetual** – Single gifts of $25,000 or more, or
   $25,000 annually to a single program
**Annual** – Annual gifts of $1,000 or more

Donors of annual gifts are listed in various levels according to their total gifts each year, as follows:

- **Gold** – $10,000 or more
- **Silver** – $5,000
- **Blue** – $2,000
- **Red** – $1,000
For the fiscal year ending June 30, 2012, we recognize four new Perpetual Members, bringing the total number of Perpetual Members to 322.

Foster H.† and Virginia L. Tolliver

In 2011–12, members of The President’s Associates contributed $6.8 million in charitable gifts, representing 97 percent of the total $7 million in gifts to benefit the University of Southern Indiana.

The President’s Associates also recognizes donors who achieve significant levels in their lifetime charitable giving totals. Lifetime giving levels are named in honor of four gentlemen, who during their lives not only made significant gifts in support of the University, but also gave leadership benefiting both the University of Southern Indiana and the USI Foundation.
