Web tips

“Why don’t my pages display properly in Netscape 4.0?”

“Where are the University templates and how do I use them?”

“How do I make photos Web-ready?”

These are some of the questions regularly received by USI’s Web Services staff. In an effort to share more information, Web Services has published a “frequently asked questions” or FAQ page on its Web site.

In addition to reading questions and answers, interested Web-users may make their own inquiries. A link to a question submission page is available on the bottom of the FAQ’s page, where new questions and answers will be published.
