# Tips

## for Successful College Parenting

Starting college can be overwhelming. To help you, we have compiled a Task List of items your student needs to do once they have been admitted. They can access that in their myUSI portal by clicking on the Admitted Student Task List icon under Eagle Apps. Some of those tasks include:

- Meet with an advisor and register for classes
- Submit all required paperwork for financial assistance
- Fill out the University housing contract if your student will be living on campus
- Sign up for a meal plan
- Submit immunization paperwork
- Register vehicle with USI Public Safety
- Complete online training for Title IX
- Respond to Archie's Book Bundle email

**Transition Issue** – College is a big step for both students and parents; it may be the first time you've ever lived apart from one another. Here is a list of items to further prepare your student for their college experience and adjust to their growing independence.

- Learn to do laundry, clean and cook.
- Know how to perform basic maintenance on vehicle.
- Establish a monthly budget and discuss credit card use.
- Learn how to use an ATM and balance a checkbook.
- Provide your student their medical insurance card and explain how and when they use it.
- Obtain personal renter's insurance for student's belongings if not covered under family's homeowner's insurance.

**Summer Session** – High school graduates who have been admitted for the Fall but would like to start classes early should contact Undergraduate Admissions, 812-464-1765. First Summer begins May 13 and Second Summer begins June 24; a variety of course lengths may be offered during each Summer session.

# Tips

## for Successful College Parenting

This is the most significant transition in your student's life to date. It presents a great opportunity to express your pride, hope and trust in your student as they prepare to leave.

### Transition Issues

- Help student decide which items they will take to college
- Learn who roommates will be and have your student make that first contact

**Packing List** – Remember most residents are sharing approximately 700 square feet with three other students. Consider the room size and that space is limited. We encourage students to pack lightly and purchase additional items after you move in. Walmart and grocery stores are conveniently located near campus. Also, we recommend that students wait until they move in to measure spaces as dimensions may vary slightly from building to building.

For a full list of what to bring and what not to bring to campus, visit [USI.edu/housing/housing-options/packing-list](https://www.usi.edu/housing/housing-options/packing-list).

**On-Campus Jobs** – Students seeking part-time jobs should strongly consider working on campus. Many departments hire student workers. On-campus jobs often offer flexible hours, accommodating students' class schedules and promoting a healthy work-life balance. Additionally, students working on campus have the chance to develop essential skills such as time management, communication and teamwork, which are valuable in both academic and professional settings. The benefits of working on campus extend beyond financial considerations, enhancing a student's overall college journey. On-campus jobs can be found on USI Career Launch, accessed through myUSI. Contact Career Services with any questions by emailing [career@usi.edu](mailto:career@usi.edu) or call 812-464-1865.

# Tips

## for Successful College Parenting

Your student may be both excited and anxious about starting college. Assisting them in being prepared for the transition will help calm some of the anxieties.

### Transition Issues

- Living on their own for the first time
- Adapting to a new academic environment
- Being the new kid on the block

**New Student Move-In** – This is the big day and the University wants it to be as smooth a transition as possible. On this day students can pick up Welcome Week Information and check in for their campus housing, confirm meal plans, register their vehicle, etc.

**Welcome Week** – Welcome Week is the first taste of being a student at the University of Southern Indiana! It is a week full of activities and events designed to help new students meet other new students, get adjusted to new surroundings and start on the right foot in an academic career at USI. All new students are expected to attend New Student Convocation, all programs labeled “Eagle Experience” and are encouraged to attend as many other events as possible. Details regarding Welcome Week can be found at [USI.edu/welcomeweek](http://USI.edu/welcomeweek).

**New Student Convocation** – This ceremony is held in August just before classes start. New students and their families are invited to attend this formal induction of new students to our academic community.

**Fall Sports** – Fall sports at the University of Southern Indiana begin with men’s/ women’s soccer, men’s/women’s cross country and women’s volleyball. For more information on Screaming Eagles Athletics, visit [USIScreamingEagles.com](http://USIScreamingEagles.com).

**Family Dinner** – Following New Student Convocation, new students and families are invited to partake in a family dinner on campus. This is a great opportunity to meet other new students and families and say goodbye to students as they begin this chapter of their lives.

# August 2024

# Tips

## for Successful College Parenting

Chances are your student is homesick and missing you as you are starting to miss them. Encourage them to go to events on campus and become engaged in campus life to meet new people and learn the campus culture.

### Transition Issues

- Making new friends
- Conflicts with roommates
- Academics
- Testing new freedom

**Student Involvement Fair** – The Student Involvement Fair is held in the second week of classes. Registered student organizations, University departments and Evansville community groups will have tables with information about how to get involved in their organizations.

**Fall Engaged Learning Day** – All freshman students in the UNIV101 course will visit New Harmony, Indiana for a day filled with hands-on learning. No classes are in session.

**Family Weekend** – USI will host Family Weekend in September or October. There will be special programs just for family members of USI students. Information on events will be sent to families or check [USI.edu/family](http://USI.edu/family).

**Fraternity and Sorority Membership** Fraternities and sororities select their members through a process known as recruitment or intake. Most organizations select the majority of their membership in September of each year, but some organizations recruit throughout the year. For more information visit [USI.edu/campus-life/fraternity-and-sorority-life](http://USI.edu/campus-life/fraternity-and-sorority-life).

# September 2024

# Tips

## for Successful College Parenting

### Transition Issues

- Priorities and time management
- Midterm grades
- Registering for upcoming semesters
- Missing home and old friends

This is the time for students to evaluate how they are doing academically and make changes if needed. Encourage your student to meet with their advisor about classes and destress by reconnecting with old friends over fall break.

**USI Live at the Apollo** – A popular campus-wide event that showcases students using their talents in skits, songs, dance, instrumental numbers, monologues or other creative acts. Even if they are not performers, students are encouraged to attend this fun-filled event. USI Live at the Apollo is held every October.

**Fall Festival** – The first week of October the West Side Nut Club sponsors a mammoth Fall Festival. This is a week-long gala along Franklin Street with free entertainment, carnival attractions, window displays, scores of selling booths, amateur talent competitions and on the last day, a huge parade. This event, with many USI student organizations profiting, attracts over 150,000 people.

**Priority Registration** – The process of selecting courses before the semester begins. Once this is completed, students will have a seat reserved in the classes they've selected. The date students are eligible to register is based on the number of hours earned plus those currently enrolled. Priority registration occurs in October for Spring and Summer courses, and in March for Fall courses. Refer to the *Schedule of Classes* at [USI.edu/registrar/registration](http://USI.edu/registrar/registration) for further details.

### Transition Issues

- Distracted by the thought of Thanksgiving break
- Increased academic pressures
- Preparing for finals

Your student may need a listening ear more than anything right now to vent about the stresses and added pressures of the semester. Ensure they take time for themselves and with family over the holiday.

**Basketball Season** – USI’s basketball teams take the court as members of the NCAA Division I Ohio Valley Conference. Students can be part of Archie’s Army cheering on our teams. Visit [USIScreamingEagles.com](http://USIScreamingEagles.com) for media coverage and upcoming contest information.

**International Education Week** – As part of a national initiative, events during this week are designed to increase cross-cultural awareness, promote the benefits of international exchange and celebrate the rich cultural diversity on our campus.

**Winter Sports** – Winter sports include men’s/women’s basketball, men’s/women’s swimming and diving and men’s/women’s indoor track and field. For more information on Screaming Eagles Athletics, visit [USIScreamingEagles.com](http://USIScreamingEagles.com)

### Transition Issues

- End of semester projects and finals
- Increasing extracurricular activities
- Needing a break

Your student is almost there! Their first semester is almost over, and the break is right around the corner. Motivate your student to finish the semester strong so they can enjoy their time off.

**Madrigal Feaste** – The University’s most enduring musical tradition, the Feaste showcases members of the USI Chamber Choir, who don period costumes and entertain with selections of Renaissance madrigals, folk songs and holiday choral selections.

**Fall Commencement** – Commencement celebrations are held at the end of the Fall semester. Family and friends are welcome to attend.

# December 2024

USI.edu

# Tips

## for Successful College Parenting

### Transition Issues

- Readjust to leaving again
- Getting back in the swing of campus life
- Becoming more involved on campus

This is a great time to take another look with your student at all the services offered on campus. Encourage your student to take advantage of the services available to them and encourage them to visit the Involvement Fair this month.

**MLK Celebration** – Each January, in observance of Dr. Martin Luther King Jr. Day, the University hosts an event to celebrate the life of Dr. Martin Luther King Jr. and to enhance awareness and appreciation of cultural diversity among students and the University community.

**Campus Involvement** – If your student has not gotten involved yet in activities on campus, Spring semester is a great time for them to branch out. After a semester of college, your student should have a better idea of the amount of time they have available to be involved in student organizations. Check out the various options at [USI.edu/campus-life](http://USI.edu/campus-life) and the Student Involvement Fair during the second week of the semester.

**Spring Sports** – While the men's and women's basketball teams are in full swing, spring sports at USI are just heating up. Spring sports include men's/women's outdoor track and field, baseball, softball, men's/women's tennis and men's/women's golf. For more information on Screaming Eagles Athletics, visit [USIScreamingEagles.com](http://USIScreamingEagles.com).

Spring Break is right around the corner. Most students have been thinking about any number of options they might have—going home, staying on campus to make extra money or heading to the beach with friends. This is a great opportunity to talk about their plans, as well as share your expectations about things like financing a trip or what they might do when they come home.

### Transition Issues

- Job searching
- Changing majors
- Planning spring break

**Homecoming** – Each spring, the Homecoming committee coordinates a week of Homecoming activities. This busy week includes opportunities for students to meet the Homecoming candidates, support athletic teams and participate in other school spirited events. All USI students are invited to vote for Homecoming royalty.

**International Week** – In efforts to promote diversity, culture and friendship, the Center for International Programs hosts International Week every February. This celebration culminates with the annual International Food Expo, which features the cultures, cuisine, costumes and traditions of USI international students.

**FAFSA** – This is the acronym for Free Application for Federal Student Aid, through which students apply for grants, direct student loans, work-study and other financial aid from the federal government, the State of Indiana and the University. Don't forget to file your 2025–2026 FAFSA for the period of Fall 2025 through Summer 2026. April 15 is the State of Indiana's FAFSA deadline for awarding State aid (may be subject to change).

## for Successful College Parenting

Spring is here! Flowers are blooming and the weather is great—a real distraction after being cooped up over the winter months. There are frisbees to be thrown, naps to be taken on the lawn and, oh yeah, tests and papers to prepare. Understand students' desire to feel some seasonal freedom while encouraging them to give class work the best they have.

### Transition Issues

- Midterm grades
- Priority registration for the Fall
- Inquiring about student leadership for the Fall
- Changing weather distractions

### Student Government Association Elections

The Student Government Association is here to serve the students of USI by promoting student ideas and representing student opinions to campus administrators. Students can get involved with the University by being a part of the Student Government Association.

**Honors Week** – Honors Week is dedicated to the recognition of outstanding academic excellence, scholarship award winners and scholarship donors. Each academic college hosts an honors ceremony for donors, students, faculty and parents of honored students.

Summer is right around the corner, will your student take a summer internship, go home and work a summer job or will they take summer classes?

### Transition Issues

- Planning for summer
- Increased academic pressure
- Planning for finals

**Student Leadership Awards** – Each spring, the O’Daniel Leadership Academy recognizes USI’s strongest student leaders during the Student Leadership Awards event. Students can apply for individual awards or leadership scholarships. More information can be found at [USI.edu/campus-life/odaniel-leadership-programs](http://USI.edu/campus-life/odaniel-leadership-programs).

**SpringFest** – is an annual campus event to celebrate warmer weather and campus spirit. In early April, students have the opportunity to enjoy fun and free events on campus. Check out [USI.edu/campus-life](http://USI.edu/campus-life).

**Spring Engaged Learning Day** – No traditional classes held this day. However, students may be required to attend other events to enhance their classroom work or participate in major field testing.

## for Successful College Parenting

Hang in there! Finishing the first year of college is a big deal. It's a great opportunity to celebrate your student's accomplishment. A student with a year of college under their belt is not the same one you moved to campus a short 10 months ago. Though they may still seem like "kids," they're well on their way to adulthood.

### Transition Issues

- Final exams
- Missing their new college friends over the summer
- Moving back home and stressing over summer responsibilities

**Spring Commencement** – Commencement celebrations are held at the end of the Spring semester. Family and friends are welcome to attend this jubilant celebration.

**Summer Terms** – Current students, students home for the summer from other universities, recent high school graduates and adult students can enroll for courses offered at various times throughout the Summer.

If your student is not staying in Evansville over the summer, they can take advantage of the many online courses USI offers to get caught up or get ahead in their degrees.

# May 2025

# Summer 2025

Summer is a great time for students to catch up on credit hours by taking courses. USI offers both on-campus and distance learning courses over the summer in a variety of subjects. There are two Summer sessions with time before, in-between and after to relax and get re-energized for the next academic year.

## June 2025

- 6 Last day to drop or withdraw without evaluation
- 19 Juneteenth (University closed)
- 20 Summer I ends
- 24 Summer I grades available online via myUSI
- 27 Last day of open registration advising for Summer II
- 30 Classes begin (Summer II)
- 30-7/1 Late registration (\$50 fee) and schedule revision period
- 30-7/2 Pass/No Pass option period
