

## Core 39 Courses

Foundation Skills	Bachelor of Arts or Science	Ways of Knowing	Embedded Experience
-------------------	-----------------------------	-----------------	---------------------

### Embedded Experience

- Embedded experiences may be courses found in other areas of Core 39, a major-specific course, or an elective course. Core 39 courses that count towards embedded experiences are marked with corresponding experience symbols.
- Foundation courses are strongly encouraged to be completed before the embedded experiences.
- There are two writing intensive experiences. One has to be at 200+ level and one has to be at 300+ level.
- ENG 201 is a pre-requisite for all embedded writing intensive courses.

### Diversity ●
