COLLEGE ACHIEVEMENT PROGRAM

The College Achievement Program (CAP) is a cooperative program between the University of Southern Indiana and [participating high schools](#). CAP allows highly motivated high school junior and senior students to take regular college courses in their own high schools at a reduced rate of tuition.

CAP courses are taught by carefully selected high school faculty who are trained in special workshops by USI faculty members. The CAP courses follow the same curriculum and academic standards as those courses offered on the University of Southern Indiana campus.

Concurrent Credit just got a lot more affordable thanks to the Indiana Commission for Higher Education. Several CAP courses made the Commission's list of Dual Credit Priority Liberal Arts & Career Technical Educational courses. Under the authority granted to the Indiana CHE, the rate charged to Indiana students for the identified Dual Credit Priority Liberal Arts & Career and Technical Educational courses shall not exceed \$25 per credit hour.

Not all CAP courses are part of the CHE's Dual Credit Priority Liberal Arts & Career & Technical Educational course lists. Our [course crosswalk](#) is a helpful guide for potential CAP students and their parents.

Courses that are \$25/credit hour will be notated on the course page as such:

\$ This course has been identified as a Dual Credit Priority Liberal Arts course by the Indiana Commission for Higher Education (CHE). Under the authority granted to the Indiana CHE, the rate charged to Indiana students for the identified Dual Credit Priority Liberal Arts courses shall not exceed \$25 per credit hour

Courses that are \$80/credit hour will be notated on the course page as such:

\$\$ This course is not part of the Dual Credit Priority Liberal Arts course list and is \$80/credit hour

The College Achievement Program (CAP) is accredited by the National Alliance of Concurrent Enrollment Partnerships (NACEP).
