

## **Syllabus for on campus courses**

If you have a disability and need academic accommodations for this class, please register with Disability Resources (DR) as soon as possible. Students who receive an accommodation letter from DR are encouraged to meet privately with course faculty to discuss the provisions of those accommodations as early in the semester as possible. To qualify for accommodation assistance, students must first register to use the disability resources in DR, Science Center Rm. 2206, 812-464-1961 <http://www.usi.edu/disabilities>. To help ensure that accommodations will be available when needed, students are encouraged to meet with course faculty at least 7 days prior to the actual need for the accommodation. However, if you will be participating in an internship, field, clinical, student teaching, or another off-campus setting this semester, please note that approved academic accommodations may not apply. Please contact Disability Resources as soon as possible to discuss accommodations needed for access while in this setting.
