Where Can I Park?

Parking is always a big question. To help USI students understand about parking, the Parking department would like to provide you with some important information:

- All housing residents are required to register their vehicle. **You can download the registration form at USI.edu/security/parking/online-vehicle-registration.**
- Tickets will be issued for illegal parking and illegal use of assigned parking spots (ADA accessible, authorized University vehicle, Public Safety vehicle, etc.).
- During housing check-in, students may obtain their parking decal. Students must present their driver's license or their Eagle Access Card to obtain an official USI parking decal.
- Students living in University housing may not drive their vehicles to campus between 6 a.m. and 3 p.m. on days that classes are in session. A campus shuttle is available to transport students to the main campus.

Contact the Parking department at 812-465-1091 with any questions.

Where am I Living and Who is My Roommate?

Roommate notification email will be sent around July 15. Watch your **USI email** for important roommate, mailing address and mailbox information. If you did not select a roommate and are rooming with new people, we strongly encourage you to contact your new roommates and ask questions that will help you get to know them better.

- When are they arriving at USI?
- What are they bringing?
- What kind of hobbies or interests do they have?

If you feel there has been an error in your roommate information, contact our office at 812-468-2000. We are happy to assist you and answer any questions you may have.

What to Pack

To learn more about what to bring and what not to bring to campus visit USI.edu/housing/2018-fall-move-in.

What if I've Been Approved to Arrive Early?

Residents arriving early will check in at the Housing and Residence Life (HRL) Office on their approved day.

Early arrivals will not be allowed prior to Tuesday, August 14, 2018. Students trying to move in early without approval will be denied and asked to find alternative housing until their official move date.

Students approved for early move-in will be charged \$26 for each day prior to the official opening date. Meal plans officially begin on August 19, 2018.
