Will the stole/cords be available in the Campus Store? _____

Is the organization or student responsible for the stole/cords purchase? _____

Date Submitted: _____

Stole or Cords Design

Please attach a full color design of the requested stole or cords. Stoles may not exceed 5 inches in width and must be a reasonable length. Please remember that stoles with a solid blue, solid red, or solid gold background may not be approved. These colors represent the University's Commencement Honors. Additionally, cords may not be solid white or red, white, and blue. These cords represent the University Honors Program and active or veteran military students respectively. *Organizations are responsible for ordering their own stoles/cords or working with the Campus Store to have them available for purchase. **Submit this form and the design (by June 1 for Fall Commencement and November 1 for Spring Commencement) to the Provost Office in WA 103.***
