

Admitted Student Task List

The Admitted Student Task List provides a comprehensive list of tasks a new student needs to complete prior to beginning classes at USI. You will access your personalized Task List on MyUSI.

Archie's Book Bundle

What is Archie's Book Bundle?

It is a course material and textbook rental program that lowers the cost of course materials and ensures students have their required course materials on the first day of class. Bundle price is based on \$24 per credit hour enrolled-for example, if you're enrolled in 15 hours, your Archie's Book Bundle price is \$360.

Once registered for classes, students are automatically enrolled. Check for an email about your books and respond.

How to find what books you need?

Visit the **Campus Store website** to find each course and its list of materials.
