

## Adding Chrome River to the myUSI Dashboard

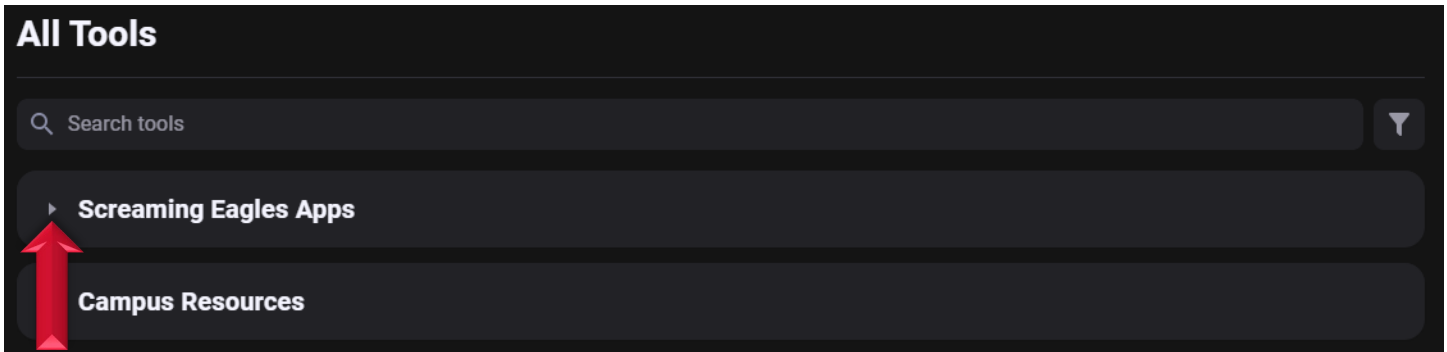

Go to [www.usi.edu](http://www.usi.edu). Then find and click the **myUSI** link in the upper right-hand corner of the screen.

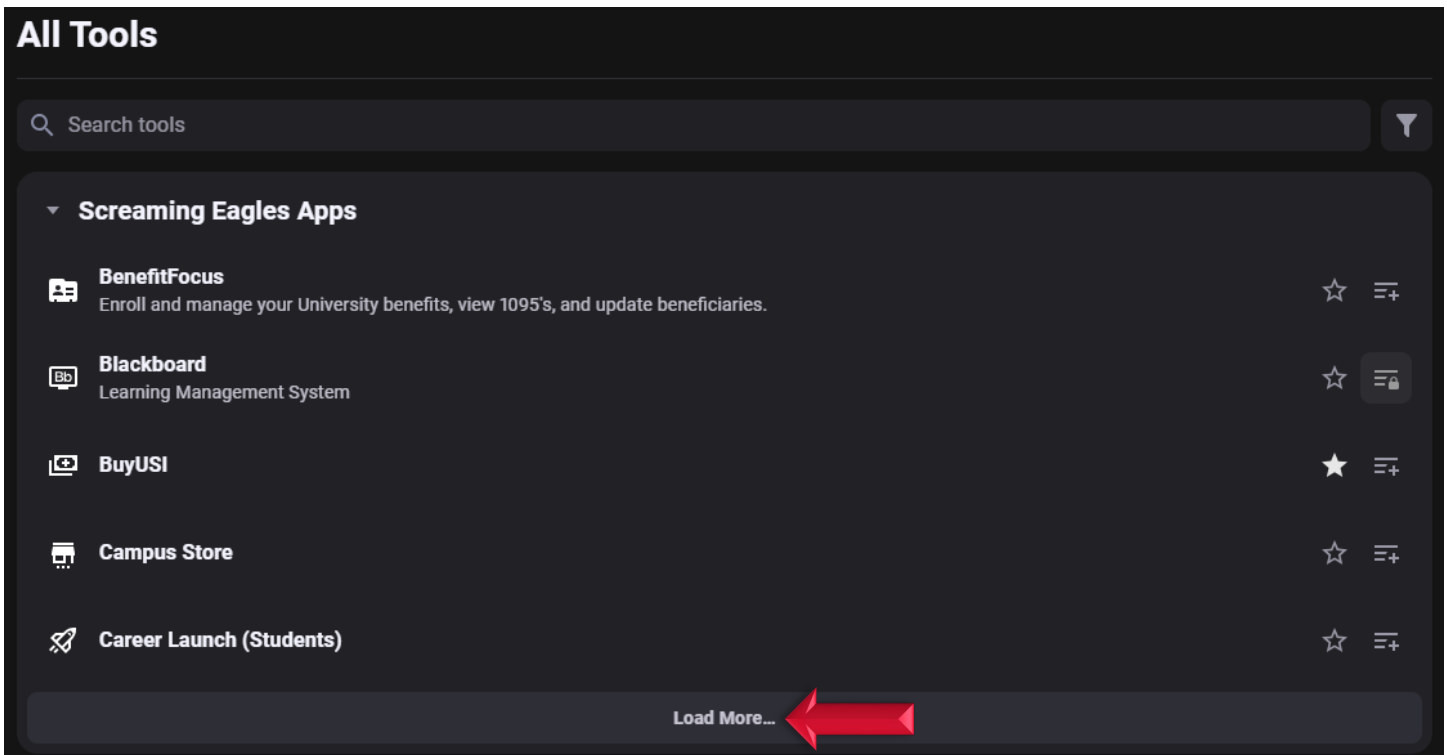

Find the Tools section, click the ... (ellipses), and then click **View all**.

Find the Screaming Eagles Apps and click the **triangle** to the left so it expands the menu.

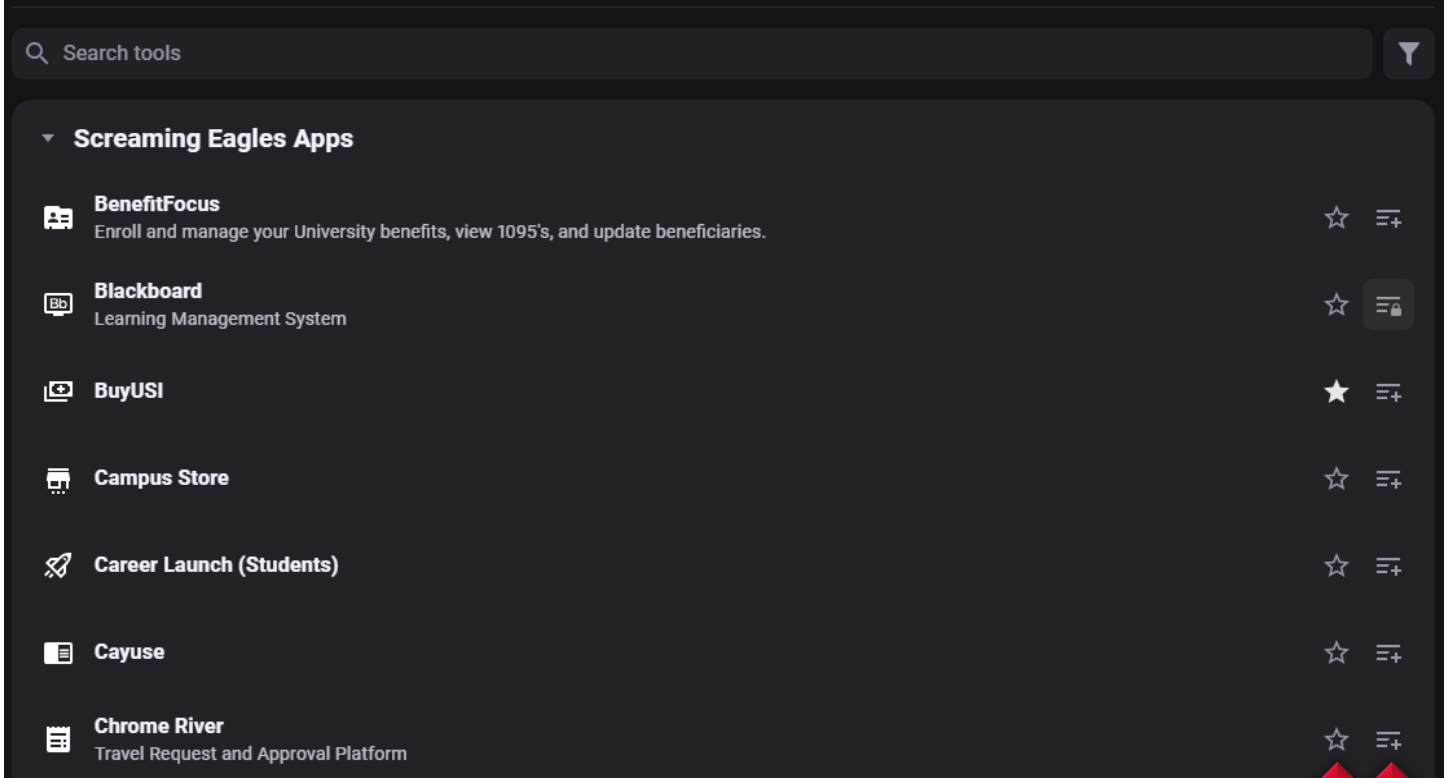

Click **Load More...**

Find Chrome River and do **one** of the following:

- Click the **Star**, which will add Chrome River to the Shortcuts menu
- Click the **Menu**, which will add Chrome River to the Tools menu
