

# **ADVANCED COURSE ON STRANGULATION PREVENTION OFFERED BY THE TRAINING INSTITUTE ON STRANGULATION PREVENTION**

## **Financial Support for Indiana SARTs**

The Indiana SANE Training Project is proud to support up to six Indiana multidisciplinary teams to complete the Advanced Course on Strangulation Prevention offered by the Training Institute on Strangulation Prevention. This opportunity is limited to registration fees for up to 4 members for each team (at least one must be medical) and will be offered to the first six teams approved by the Institute. Teams must be working in Indiana to be eligible for funding assistance. Learn more about the course: [Summary - March Virtual Advanced Course on Strangulation Prevention \(cvent.com\)](https://www.cvent.com)
