

Resumé Building Assignment – Final Draft

The assignment: For this portion of this assignment, you will begin to add in your newly acquired skills to your resumé. At the end of the session, you will submit a final draft of your resumé which should incorporate all the things that you've done during these 10 weeks.

For this draft, you will:

- Update the resumé you create in draft 2 as needed.
- Using the following websites and:
 - From Career Services, use [Career Launch](#) to find one or two internships you are interested in applying for. Modify/adjust your resume to fit the internship application requirements. Include a brief explanation of what modifications/changes you made from your base resume and why you made those changes.
 - From Financial Aid, use their posted information to find [scholarships](#) you are eligible to receive and modify/adjust your resume to fit the internship application requirements. Include a brief explanation of what modifications/changes you made from your base resume and why you made those changes.

The Necessary: For this assignment, please note the following:

- You should submit THREE final drafts of your resume – your base resume (the updated one you've worked on all session), the internship resume, and the scholarship resume.
 - Remember that both the internship resume and the scholarship resume should include an explanation of the modifications you made.
- There is no specific page length or word count for this assignment since you will all have different experiences to include on your resumé.
- Your resumé should look professional meaning you've submitted something that you would be willing to give a potential employer.
- Your submission will be graded on its updates and professionalism as defined during our Zoom meeting.
- It is due no later than 11:59pm CST on Thursday 10/30.
