## Fall Billing

**The Bursar's Office is students' one-stop shop for billing and payment options.**

**Tuition and fees for the 2024 Fall Semester** are now viewable on TouchNet. You will access Touchnet through your myUSI portal under "Tools". Touchnet gives students access to their billing statement and allows them to sign up for eRefunds (direct deposit), pay their bill, enroll in a payment plan and view their 1098T form.

### **Authorized Users**

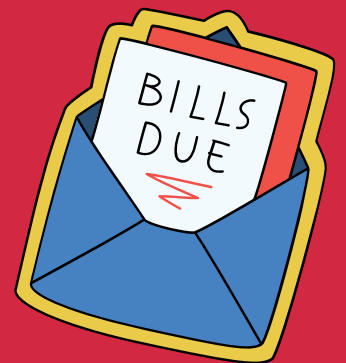

We understand many parents financially support their students through their higher education. To simplify the process and communication, we encourage students to add their parent(s) or guardian(s) as authorized users in TouchNet. Students and authorized users can log into TouchNet to view their itemized charges, enroll in a payment plan or pay in full. [Visit the Bursar's Office FAQ page for more information.](#)

### Commuter Tips

[\*\*CLICK HERE\*\*](#)

For safety purposes, all students are encouraged to register their vehicle with the University.

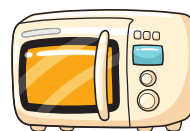

Complete registration by [clicking here](#).

Add Public Safety's emergency phone number to your phone: 812-492-777.

Make sure to carry your Eagle Access Card Student ID with you. Consider adding money to your FLEX or Munch Money accounts for making purchases on campus.

Downloading the [\*\*GRUBHUB\*\*](#) app. It lets you order your food ahead of time and eliminates waiting in line.

If you bring your own food, there are microwaves around campus.

Even though you are commuting to USI, find three opportunities to get involved: something in your academic area of study, something you have always enjoyed and something new. This is where you build friendships and grow as a person outside of the classroom.
