H. Ray Hoops, President

H. Ray Hoops became the second president of the University of Southern Indiana in July 1994. During his tenure, he has forged important community partnerships and has overseen dramatic growth in the University's enrollment, facilities, and academic programs.

A native of Illinois, Dr. Hoops received his undergraduate degree from Eastern Illinois University and master's and doctoral degrees in Audiology and Speech Sciences from Purdue University. He also completed an M.B.A. at Moorhead State University.

His career as a scientist and educator has included a faculty appointment jointly at the University of Michigan and Wayne State University.

He published extensively and was nationally recognized for his contributions in the areas of rehabilitation of post-surgical patients with cancer of the larynx and in the analysis of language dynamics resulting from brain damage. Among his numerous publications in a variety of behavioral and medical journals was the report on a study which received the National Research Award, the highest honor of the American Speech and Hearing Association. Dr. Hoops also was named Fellow of the Association.

His administrative appointments included the directorship of the Division of Marketing in the U.S. Department of Health, Education, and Welfare. He received two national service awards for that work. He also was a Senior Fulbright-Hayes Research Scholar in the College of Medicine at the University of the Philippines. Other appointments included dean of the Graduate College of the University of Northern Iowa, associate vice chancellor for Academic Affairs for the Oregon State System of Higher Education, vice president for Academic Affairs at North Dakota State University, and president of South Dakota State University.

In the six years prior to becoming the president of the University of Southern Indiana, Dr. Hoops served as the vice chancellor for Academic Affairs at the University of Mississippi. While at Ole Miss, Dr. Hoops received the National Council of State Governments Association Award for his pioneering work on Project ’95, a blueprint for the reform of education in the state of Mississippi. He also received the Peterson’s Guide Award for contributions to the education of minority students in the innovative and highly successful graduate participation initiative.

President Hoops serves on the Deaconess Hospital Board of Directors, the Welborn Foundation Board of Directors, the Metropolitan Evansville Chamber of Commerce Board of Directors, and the WNIN Board of Directors. He is a member of the Board of Directors of the American Association of State Colleges and Universities and serves as the chair of the Indiana Conference of Higher Education.

Jon Mark Hall, Director of Athletics

Jon Mark Hall was appointed to the position of director of Athletics in January 2002. He moved into the position after spending seven years as the assistant director of athletics. He is the second director of athletics that USI has had.

Under his direction, USI was the 2003-04 GLVC All-Sports and Commissioner's Cup winner and is the host of the 2004 NCAA Division II Cross Country national championships.

In addition to his duties as director of athletics, Hall also is the chair of the NCAA Division II men’s and women’s tennis committee. He has served on the Great Lakes Valley Conference Executive Committee and the NCAA II Great Lakes Regional women’s basketball committee.

Hall joined the USI Athletic Department in 1995 as an assistant athletic director and men’s tennis coach.

As the men’s tennis coach, no one did it better in the GLVC than Hall. He was named the GLVC Coach of the Year five times, directed the Screaming Eagles to four GLVC regular season titles and GLVC Tournament crowns and set a 123-47 record (.724).

During his final season as head coach, Hall led the Eagles to their third straight appearance in the NCAA II Tournament and their first victory in the post-season. In 2000 and 2001, Hall put the Eagles on the national map with their first two invitations to the NCAA II Tournament in the 27-year history of the program.

Hall came to USI after a tenure at the University of South Carolina-Spartanburg as an assistant athletic director, where he was the NCAA compliance coordinator, oversaw the academic support service program for student athletes, and coordinated the Athletes Can Educate (ACE) program. He also assisted in fundraising and promotion activities.

The native of Murray, Kentucky, is a 1990 cum laude graduate of Murray State University, with a bachelor’s degree in business administration. While at MSU, Hall was on the tennis team for two seasons, earning Academic All-Ohio Valley Conference honors in 1987. Hall received his master’s degree in sports administration from Ohio State University in 1992.

In 1998-99, he completed the Sports Management Institute Executive Program at the University of South Carolina and the University of Notre Dame.

Hall and his wife Patti reside in Evansville and have two sons, Nathan and Garland, and daughter Mary Claire.
Founded in 1965, the University of Southern Indiana is located in Evansville, the state’s third-largest city. From its picturesque site on the Ohio River, Evansville is a comfortable drive from the major metropolitan areas of Indianapolis, Cincinnati, Louisville, Nashville, and St. Louis.

The University enrolls 10,000 students and offers undergraduate majors in 70 areas of study. Ten graduate degree programs also are available.

Beyond the classroom, students have opportunities to participate in more than 90 organizations offering co-curricular and extra-curricular activities. Special interest clubs, student government, sororities and fraternities, music and drama groups, and other organizations enable the students to enjoy and contribute to campus life.

USI offers two kinds of housing. One is the conventional apartment and the other is suite-style housing in a residence hall. Computer labs, laundromats, a convenience store, outdoor recreational areas, and student lounges contribute to an efficient living environment that has proven overwhelmingly popular with students. A meal plan is available in the University Center. More than 3,000 students live on campus.

USI is an affordable higher-education institution and some families find that they can handle the cost of a USI education without financial aid. Many others qualify for need-based financial aid packages, including grants, loans, and jobs.

EVANSVILLE, Indiana

...A CITY with urban attractions and hometown friendliness

Situated on the banks of the Ohio River, Evansville is a mid-sized city that welcomes USI students and offers them plenty of things to do. Roberts Stadium and the Victory Theatre attract students to concerts by entertainers like Nelly, Aerosmith, Kenny Chesney, Kid Rock, and Josh Groban. Traveling Broadway shows and feature performances come to The Centre. For a relaxing walk or invigorating run, the downtown riverfront features a greenway with a wonderful view of the changing river traffic and the Evansville skyline. Movie theatres (including an IMAX) and Swonder Ice Arena draw students together for fun, activity, and fellowship. Evansville’s coffee shops, restaurants, and shopping areas also are places where students like to spend time. Less than three miles from campus, shopping centers and places to eat are plentiful on both sides of the Lloyd Expressway. The Eastland Mall area on Green River Road and the commercial centers off Burkhardt Road offer more restaurants and terrific shopping. USI’s suburban location in the rolling hills of western Vanderburgh County is just minutes away from all that Evansville has to offer.

The University of Southern Indiana softball team enters the 2006 season with a renewed expectation for victory. After a tough start to the 2005 season—USI was 0-8 to start the year—the Screaming Eagles bounced back to win a school-record 18 straight games. The Eagles finished 2005 with a 30-20 record (10-8 GLVC) and a third-place showing in the GLVC Tournament for the second straight season. The 30 victories were the most since USI won 31 games in 2002.

When fifth-year Head Coach Sue Kunkle leads her Eagles onto the field in 2006, she will have her entire starting infield as well as her top two pitchers back from last season’s squad. Kunkle (114-80 in four seasons), who needs four victories to move into second on USI’s all-time wins list, needs to mix 11 returnees—six position starters—with three newcomers.

Kunkle is looking to four talented seniors to lead the Eagles this season. Senior pitcher Missy Grover earned All-GLVC honors as a junior when she recorded a career-best 15 victories and 2.08 earned run average. Grover, who was 11-0 with an 0.95 ERA during USI’s 18-game winning streak, was third in the GLVC with a career-high 18 complete games. She was fifth in the league with a career-high six shutouts.

Complementing Grover in the pitching circle is fellow classmate Lindsey McNaughton. McNaughton was 13-7 with a 2.34 ERA during her first season as an Eagle. She also did damage at the plate, batting .257 with a homerun and 18 RBIs. McNaughton hit .462 in the GLVC Tournament with three of her six multi-hit games coming in post-season play.

The Eagles also are looking for leadership from senior first baseman Angie Davis and senior shortstop Krista Nugent. Davis, who will see time at catcher this season, had a breakout weekend during the 2005 GLVC Tournament when she hit .462 with two homeruns and nine RBIs in just five games. She hit .272 with 19 RBIs during her first season with the Eagles in 2005.

Nugent played and started in all 50 of USI’s games last season and hit .214 with 10 RBIs. She went 2-for-4 against Lewis University in the third-place game of the GLVC Tournament a year ago.

The Eagles also are relying on a strong junior class that includes three infielders, a catcher, and an outfielder/pitcher. Junior catcher Lisa Anderson earned All-GLVC honors for the second straight season after hitting .329 with a team-high four homeruns and 30 RBIs. Anderson threw out eight base runners during her sophomore campaign and committed just one error behind the plate.

Kunkle is excited about her combination at second base with juniors Audra Lindenschmidt and Kerrie Burton. Lindenschmidt, who hit .255 with 13 RBIs and 14 runs scored in 2005, had a season-high seven-game hitting streak in which she hit .520 with nine RBIs in 25 at-bats.
Burton played in 33 games, making 23 starts at second base, as a sophomore for the Eagles. She hit .197 with a home-run, eight RBIs, and 11 runs scored.

The Eagles are looking for depth in junior third baseman Jennifer Mullikin and junior outfielder/pitcher Nikki Nichols. Mullikin hit .105 in 19 at-bats during her sophomore season, while Nichols, who adds depth to the pitching staff, is a strong contender for a starting position in the outfield.

Another player that provided solid play in leftfield is sophomore Kathy Wood. Wood played in 34 games as a freshman, including six appearances inside the pitching circle where she recorded a 2-1 record with a 1.88 ERA in 26 innings of action.

Third baseman/pitcher Kristin Eickholt was USI’s top freshman a year ago. Now a sophomore, Eickholt hit .292 with two homeruns, 15 RBIs, and a team-best nine doubles. Eickholt was named the GLVC Player of the Week at the end of the 2005 regular season after hitting .600 with five RBIs in a pair of two-game sets against the University of Wisconsin-Parkside and Lewis University.

Kunkle will enjoy flexibility with her incoming freshmen class this season. Utility player Lacey Ligmanowski can play any position on the field and is a strong candidate to replace Nicole Henson in right field.

Ligmanowski, who also will see time at first base, hit .288 during her senior season at Lockport Township High School.

Ligmanowski helped lead LTHS to the 2005 Illinois Class AA quarterfinals after helping the Porters to the 2004 IHSA Class AA state championship. She also went a combined 27-3 during her junior and senior seasons from the pitching circle.

Outfielder/infielder Ally McKinley is another versatile freshman in 2006. McKinley, who led Sullivan High School in batting average three of her four seasons, is the frontrunner to replace former USI standout Sunny Oelling in centerfield. McKinley also may get some experience in the infield.

The addition of freshman Jami Martin, who also plays soccer at USI, will provide depth in the outfield and speed on the base paths for the Eagles. She helped lead Jennings County High School to a sectional championship during her senior year in 2005.

USI’s season starts February 17 when the Eagles travel to Conway, Arkansas, to compete in the 10th Annual UCA Spring Clash. GLVC play starts March 18 when the Eagles play at the University of Indianapolis.

USI welcomes league newcomers, Rockhurst University and the University of Missouri-Rolla, to the USI Softball Field when the Eagles open their home schedule March 25 and 26.

USI’s run for a conference title and a berth in the NCAA II Great Lakes Regional Tournament will have to go through East Peoria, Illinois, the host city for the GLVC Tournament for the third straight year. The league tournament is played at the EastSide Centre Sports Complex May 5-7.

The NCAA II Great Lakes Tournament is May 11-14 at a site to be determined, while the NCAA II World Series is May 18-22 in Salem, Virginia.
Sue Kunkle enters her fifth season at the helm of the University of Southern Indiana softball program after leading the Screaming Eagles to a third-place finish in the GLVC Tournament in 2004 and 2005.

Kunkle’s Eagles overcame a rough start to the 2005 campaign before winning 30 of their last 42 games to finish with a 30-20 record, including a 10-8 mark in GLVC play. In the process of their strong finish, the Eagles set a school-record for consecutive victories, stringing together 18 consecutive victories on the heels of an 0-8 start.

Despite an up-and-down conference season, Kunkle’s squad rebounded to win three straight elimination games in the GLVC Tournament before falling to the University of Wisconsin-Parkside.

In 2004, Kunkle’s Eagles battled some of the top teams in Division II and jumped out to an 8-0 start in conference play before finishing the 2004 campaign with a 26-24 overall record and an 11-7 mark in the GLVC.

With a four-year record of 114-80, Kunkle needs five victories to become the second winningest head coach in the program’s 29-year history. She is currently third all-time at USI in wins and second all-time in winning percentage (.588).

In 2003, Kunkle directed the Eagles to a 27-18 overall record and a 13-7 mark in the GLVC. That squad produced six All-GLVC and four All-Great Lakes Region performers.

During her first season, Kunkle led the Eagles to a second-place finish in the GLVC Tournament and to within an eyelash of a berth in the NCAA Division II Tournament. Kunkle also set the USI record for wins by a first-year coach with a 31-18 overall record, 10-7 GLVC.

Kunkle, who coached a USA Athletes International squad to a first-place finish in Holland in the summer of 2005, was named head softball coach in August of 2001 after a tenure at The University of Akron. In addition to leading the softball program, Kunkle teaches in the USI Physical Education Department.

Kunkle helped to develop some of Akron’s best hurlers, including 1998 UA Female Athlete of the Year Shelby Howell (1995-1998). Kunkle was responsible for recruiting and coordinating the team’s travel arrangements. Her duties also included organizing the Zips camps and clinics, the Dugout Club, and alumni relations.

Prior to her tenure at Akron, Kunkle began her coaching career as a volunteer assistant at California University of Pennsylvania. She gained a year of coaching experience at Morehead State University in Kentucky, before being named assistant coach at Bethel Park.

A four-year starter at California, Kunkle became the winningest pitcher in school history with a career record of 54-12 from 1990-94. The Vulcans earned PSAC West Championships in Kunkle’s last three seasons, and were the conference’s overall champs in 1991. An All-Region pitcher as a junior, she earned All-Conference and All-Regional Tournament honors as a senior, while leading her team to a regional championship and California’s first ever appearance in the Division II College World Series.

Kunkle, who resides in Evansville with her daughter Morgan, earned a bachelor’s degree in education from California in 1994. She received her master’s in sports science and coaching at The University of Akron in May of 2001.

Annie Medico enters her third season with the USI softball coaching staff. Medico will assist Head Coach Sue Kunkle in all facets of the USI softball program.

“Coach Medico has done a tremendous job with our program,” Kunkle said. “Along with on-field coaching, Annie assists in many areas such as recruiting, charting the academic progress of our student-athletes, and the conditioning and weight training of our student-athletes.”

A 2003 graduate of Southwest Missouri State University, Medico spent the 2003 season as a student assistant for the SMSU Bears. She helped direct the Bears to a 29-25 record.

Prior to serving as a student assistant, Medico was a two-time All-Missouri Valley Conference performer for SMSU. She appeared in 201 games during her SMSU career, recording 125 hits and driving in 56 runs.

In addition to her coaching duties, Medico also is the program coordinator of the USI Recreation and Fitness Center. A native of Tulsa, Oklahoma, Medico has a Bachelor of Science degree in recreation and leisure studies with an emphasis in health and wellness. She is working toward her master’s degree in education.

Medico coached with Kunkle for a USA Athletes International squad that finished first in Holland in the summer of 2005. She will coach with Kunkle for a USA Athletes International squad in Australia this summer.
